EXPERIENCE

Backend Developer Intern

Tulip Technologies

📅 08/2022 - 10/2022   📍 Turkey

- Developed robust APIs using ASP.NET.
- Integrated API with database to ensure data flow and efficient data manipulation.
- Integrated API with ReactJS front-end.

PROJECTS

Le Khalil Le Cookies - Online Cookie Shop

📅 06/2023

A user-friendly online cookie shop inspired by pixel art aesthetics, created for a friend's cookie business.

- Implemented role based authentication for clients and owner for a streamlined order management.
- Integrated email notifications to provide order confirmations and enhance Customer communication.
- Develop secure authentication flow with secure sessions.
- Implement real-time and cached data fetching and management.
- **Repo:** https://github.com/So8oS/le_khalil_le_cookies_v3
- **Demo:** https://shorturl.at/rsvIO

SMDB

📅 04/2023

A place where you can browse and explore Movies and Tv shows.

- Develop a responsive and friendly user interface using NextJS.
- Implement incremental static regeneration (**ISR**) to improve performance and lower page loading time.
- Utilize **IMBD** public API to get up to date information.
- **Live:** http://smdb.ahmadothman.com/
- **Repo:** https://github.com/So8oS/smdb

CatWiki

📅 02/2023

An interactive website that provides detailed information about various cat breeds. Leveraging the Cat API for comprehensive breed data.

- Develop a responsive and eye-catching user interface.
- Create a wrapper for public API using NextJS.
- Created a dynamic cat bread search functionality.
- Display detailed cat breed page with multiple attributes.
- **Live:** http://catwiki.ahmadothman.com
- **Repo**: https://github.com/So8oS/catwiki

Portfolio

📅 01/2023

A website Showcasing my works and providing personal information for visitors to explore.

- **Live:** https://ahmadothman.com
- **Repo:** https://github.com/So8oS/so8os-portfolio

SKILLS

Front-End

Next-JS	React.JS	TailwindCss
Typescript	JOTAI	

Back-End

Node.JS	Prisma	Express.JS
Next-Auth		

EDUCATION

Bachelor's Degree, Computer Engineering

Bahçeşehir University

📅 2018 - 2022

CERTIFICATION

The Complete Web Developer

Zero to Mastery - ude.my/UC-141def11-41aa-4b23-89fc-8276d689c39b
